CALL FOR APPLICATIONS

UNIVERSITY OF MONS STAFF → POZNAŃ UNIVERSITY OF TECHNOLOGY

The European University Office at Poznań University of Technology (PUT) invites eligible academic staff of the University of Mons (Belgium) to apply for a short-term teaching mobility in Poznań as part of the project "Cooperation and Education within the EUNICE Alliance" (WERSE), co-financed through the NAWA European Universities Support Programme.

WHY TAKE PART?

Share your teaching expertise in an international environment, explore innovative teaching methods and research resources, build professional connections and strengthen cooperation between the University of Mons and PUT within the EUNICE alliance.

WHO CAN APPLY?

- University of Mons employees holding a research or research-and-teaching position, who meet the eligibility conditions specified in the Recruitment Regulations.
- Applicants interested in developing their teaching and research careers and in international academic collaboration. Up to 2 staff mobilities are planned under this call.

WHAT DO WE OFFER?

- A short-term academic exchange at PUT involving the delivery of teaching classes.
- A mobility of up to 5 days at PUT, plus a maximum of 2 travel days (7 days in total).
- A travel grant, subject to the Regulations and the Participant Agreement, covering a stipend, travel-related expenses, and living and accommodation costs in accordance with the applicable rates.

APPLICATION DETAILS

Mobility dates: 16-20.03.2026

Application deadline: 20.02.2026

Related documents: Recruitment Regulations and appendices; Participant Agreement and appendices.

Selection and accessibility. Applications undergo formal and substantive assessment. Selection includes criteria related to professional development, international collaboration and prior EUNICE involvement. Recruitment follows equal-opportunity and non-discrimination principles; applicants may indicate accessibility-related needs.
